

VOLKSWAGEN ID.6 CROZZ LITE PRO FIXED PANORAMIC ROOF 22MY

ELECTRIC Electric 2022

Car Code: ID652

MOTEUR ET TRANSMISSION

ENGINE	Motor 204HP
Total power of motor (kW)	150
TORQUE	310
Fast charge (%)	80
Battery charging time (KW)	DC - 100, AC - 7.2

DIMENSIONS, CAPACITÉS ET SUSPENSIONS

DIMENSIONS (mm)	4891×1848×1679
WHEELBASE (mm)	2965
Maximum speed (km/h)	160
Battery type	Ternary lithium battery
Battery capacity (kWh)	84.8
DRIVE MODE	Rear mounted rear drive
Body type	5doors / 7seats
Front suspension type	McPherson independent suspension
Rear suspension type	5-link independent suspension
Steering assist type	Electric power
Front tyre specification	235/50 R20
Rear tyre specification	265/45 R20
Motor type	Permanent magnet / synchronous motor

CARACTÉRISTIQUES INTÉRIEURES ET SÉCURITÉ

Driver HD display screen	12 Inch Touch screen navigation system
30 color adjustable interior style atmosphere lamp	Id.light intelligent interactive lamp language system
3D translucent trim	Driving cabin intelligent touch control
The rear seats can be folded	Multifunctional leather steering wheel
Steering wheel heating function	Front row USB multimedia input interface
Rear dual USB charging interface	Rear air outlet(A/C)
9 speakers	RVC parking rear view imaging system
Front and rear parking radar	RKA intelligent tire pressure monitoring system
MKB multiple collision prevention system	Parking emergency braking function
Front double airbags	Front side double airbags
Kessy go-Intelligent one touch start system	Electric rear luggage compartment door
Easy open Boot Foot sensing on	Easy close Boot Foot sensing off
Mobile wireless charging	Wireless & wired phone mapping function
Easy entry third row seats convenient entry function	Auto hold
E-call emergency rescue	Smart and interesting travel
Travel assist 2.0 driving assistance	ACC 3.0 advanced adaptive cruise system (with follow/stop function)
Front Assist-Front anti-collision automatic braking system	RTA rear lateral arrival warning function
Top view360 ° panoramic visual image	2-3-2 three row seven seat layout
Urban energy black style interior	Premium leather seats

Front row seat heating	Front 12 way electrically adjustable seat (including 4-way lumbar support)
Front seat memory function	Front seat massage function
Second row seat heating	Front and rear through type head air curtain on both sides
ESP body stability system(including ABS/ASR/HBA etc)	MKE fatigue driving monitoring system
ISOFIX child seat anchorages	Three zone intelligent air conditioner
Clean air 3.0 air purification system	Anion air purification function
Keyless entry system	Electronic parking
Bluetooth Handsfree system	FPA driving mode selection
One button electronic child lock	Intelligent rain sensing boneless wiper
Intelligent voice interaction	Intelligent online navigation
Car WiFi	Mobile app remote control

CARACTÉRISTIQUES EXTÉRIEURES

Led headlight	Rear LED tail light
LED daytime running lights	Front and rear illuminated VW logo
Front through LED light strip	MDFS intelligent dynamic light assist
AFS headlamp follow-up steering function	Automatic headlight opening function
Headlight home /away function	Tail light flow type dynamic steering function
Lane Assist - lane keeping system	VZE traffic sign recognition
Side assist- lane changing assist	Panoramic roof (fixed)
Sunroof of Panoramic roof	Roof luggage rack
Exterior atmosphere lamp combination	Rear privacy glass
Concealed door handle (with ambient light)	Silver decorative door handle
Self repairing tire	Automatic folding function of exterior rearview mirror when locking the car
Reverse assistant of rear view mirror in co-driver side	Active Grille Shutter
Shark fin antenna	Electrically adjustable exterior rearview mirror with LED turn signal and heating function
